++ Valid for broadcast between 1800 and 0600

Headline:
Staying cold for the next few days.

This Evening and Tonight:
Cold and frosty with often clear skies across Northern Ireland and western Scotland. Elsewhere, often a good deal of cloud around with some wintry showers and a few icy patches.

Sunday:
Many parts fairly cloudy with a few showers, heaviest and most frequent in the east. Many western parts fine and dry, especially western Scotland and Northern Ireland. Feeling cold.

Outlook for Monday to Wednesday:
Fine and cold in the northwest. Elsewhere variable cloud cover, brisk northeasterly winds and some wintry showers. Cloud arrives across the northwest on Wednesday, bringing rain and perhaps snowfall here.
